## UNIQUE FEATURES OF Z SQUARE MALL

- India's first mall with unique architectural design, to ensure all the shops are front facing with no back lanes. It is the exclusive mall in the country with race track design.
- First mall in India where travelers start from 3rd basement allowing shopping trolleys to be taken to your car booth.
- First mall in India where every floor recedes the upper floor by 1.5 meters, thus making the shop fronts visible from every floor.
- Z square Mall is the first and only mall in the country with exquisite zoning of brands. The shops of similar categories are placed beside or in front of each other. For example, Women Ethnic Zone is on ground floor and brands like Meena Bazaar, Soch, Biba, Jashn etc are in one lane besides each other or sports category shops like Puma, Adidas, Nike, Reebok, Fila etc are altogether on the first floor. Having best zoning, Z square has created multiple markets within the mall giving the customers multiple choices of best in class brands in every category.
- Z Square houses more than 35 exclusive world class brands in the state.
- First mall in India to have very open Atrium space frame of more than 1,00,000 sq.ft. with combination of Kalzip material from Australia and Post Tension Technology from Singapore with minimum column grid of 10 meters beamless structure.
